*Message from
Honourable Chief Minister
of Karnataka*

It gives me immense pleasure to announce the release of Karnataka Tourism Policy 2020-2025.

For our Government, we believe that the tourism sector plays a pivotal role in developing our economy and hence constitutes a real priority for us. Not only does the tourism sector spearhead economic growth, it also improves the standard of living with its capacity to create large scale employment opportunities. With the immense potential that the tourism industry offers, we have initiated the Karnataka Tourism Policy 2020-2025 incorporating inputs of all stakeholders, both public and private, that will foster a more favourable environment for the development and consolidation of the tourism sector.

While the ongoing COVID-19 pandemic has brought most of the world to a standstill, the people of Karnataka have demonstrated great resilience and determination in facing and overcoming the challenges. The only certainty the pandemic situation offers is of a new normal. The Karnataka Tourism Policy 2020-25 provides a framework for Karnataka's tourism industry to overcome the ongoing difficulties, adapt to the new normal, and remain healthy and competitive in the global tourism landscape.

Our Government is committed to providing a conducive environment for growth of tourism in Karnataka. Through the Karnataka Tourism Policy 2020-25 we wish to encourage the investors to invest in the tourism sector by providing a host of incentives and subsidies to facilitate investment in the sector. I hope that the new tourism policy will go a long way towards improving the tourism sector in the State.

I request all the stakeholders to join us in our venture of developing Karnataka as a vibrant, sustainable and the most-favoured tourism destination.

INTRODUCTION

Stone Chariot, Hampi

Tourism has emerged as one of the largest industries and a key economic driver across the world. The World Travel and Tourism Council (WTTTC) in its annual research revealed that in 2018, travel and tourism accounted for 10.4% of the global GDP and 319 million jobs, i.e., 10% of total employment worldwide. A vibrant tourism sector is an important indicator of a healthy economy. Tourism has an important role in achieving the 17 Sustainable Development Goals (SDGs) set by the United Nations.

Tourism and its allied sectors of travel and hospitality have emerged as key drivers of growth among the service sectors of India. As per WTTTC's Economic Impact 2018 – India report, travel and tourism contributes to 9.2% of India's total GDP, positioning the country as 3rd among 185 countries in terms of the sector's overall contribution to the economy.

The Government of Karnataka acknowledges the importance of tourism sector and has identified it as a priority sector of the State. Karnataka has seen immense growth in domestic tourist visits, growing from 36.7 million in 2006 to 215.03 million in 2018. The State attracts nearly 12% of overall domestic tourist visits in India, placing it third among Indian states. Karnataka also saw over 5.4 lakh foreign tourist arrivals in 2018, ranking the State 11th for FTAs in India. In 2019, Karnataka's tourism sector contributed 14.8% of the State's GSDP and provided for over 30 lakhs jobs through direct and indirect employment.

Karnataka offers a multitude of tourism opportunities, living up to the promise of its brand "One State, Many Worlds". The state's pleasant climate, cosmopolitan culture and highly responsive administration make Karnataka an excellent destination for businesses to set up and flourish. The State's tourism destinations encompass a wealth of tourism products across a range of themes including heritage, culture, ecotourism, spiritual, adventure, coastal, wellness, rural, and urban.

Karnataka is a land with rich cultural heritage and many natural gifts. The State is proud to host 3 UNESCO World Heritage Sites – Hampi, Pattadakal and the Western Ghats of Karnataka. Additionally, four other sites – Aihole-Badami Pattadakal, Kalaburagi-Bidar-Vijayapura (Deccan Sultanate), Srirangapatna, and Belur-Halebidu are on the tentative list of World Heritage Sites. The State has over 600 ASI-protected monuments

and over 840 State-protected monuments as well as several devotional sites of spiritual and cultural importance.

Karnataka also has an abundance of flora and fauna with 5 National Parks –and more than 30 Wildlife Sanctuaries and Tiger Reserves. Karnataka is home to more than 550 species of birds and over 100 species of mammals. The natural beauty of Karnataka extends to about 17 picturesque hill stations and 40 magnificent waterfalls, making the State one of the best Eco Tourism destinations in India.

Karnataka’s 320 km long natural coastline covering Uttara Kannada, Udupi and Dakshina Kannada districts has some of the best beaches in the country and the State has immense potential for development of coastal tourism.

The Karnataka Tourism Policy 2020-25 has been formulated with the objective to achieve the vision of Government of Karnataka. The successes, failures, and learnings from the previous Karnataka Tourism Policy 2015-20 have provided guidance in the drafting of this Policy. The Policy proposes strategic interventions, attractive incentives and requisite regulatory

reforms to facilitate investment in the tourism sector. The Policy strives to create a sustainable tourism ecosystem in Karnataka and lays emphasis on providing a safe and high-quality experience for tourists.

“Responding Today and Preparing for Tomorrow”

During the course of preparation of this Policy, the COVID-19 pandemic rapidly brought the global travel and tourism industry to a virtual standstill. While domestic tourism is expected to recover faster than international tourism, the road to recovery will be long. Karnataka Tourism Policy 2020-25 has taken cognizance of the debilitating impact of the pandemic on the tourism ecosystem of the State and endeavours to create a conducive environment to support the industry for an effective revival and to ensure travellers are safe and can remain confident when visiting Karnataka.
